

# KERRY TAYLOR INTRO

Let me begin with a few questions.

- Do you wish you had a better handle on your finances?
- Do your emotions ever get the best of your bank account?
- Are you ready to learn how to nudge your brain into making smarter financial decisions?

If you answered yes to any of these questions, then you are in the right place!

Our speaker today is one of Canada's top personal finance experts. She's a money columnist with the Toronto Star, and shares her financial advice on CBC News and lifestyle programs across the country. Her award-winning website "Squawkfox" reaches a worldwide audience of millions every year.

When not working, she can be found driving an orange tractor on her organic farm in rural British Columbia.

Helping us today to make sense of all things money, please join me in welcoming author, journalist, and self-professed lover of second-hand clothing - **Kerry Taylor**
